### Pre-Course Questionnaire

**Hello!**

All of us at Interaktiv Reisen e.V. are looking forward to welcoming you on your language holiday to Torquay.

The 'school' part of your holiday will be rather different to your normal school in Germany. There is no set syllabus, and there are no tests or examinations. Everything we do in school is to help you gain confidence in speaking English, and improving your vocabulary, by giving you enjoyable things to do.

Please help us by completing this form. Your answers will help us enable us to understand your language learning journey.
